# Learning Agreement

---

Welcome to the Force-E \_\_\_\_\_ course. We're confident that you will find your dive training both fun and rewarding. To learn and practice important concepts and skills for using life-support equipment underwater, you must invest the time needed to do so. This learning agreement is between you (the student diver) and our instructional staff regarding our mutual responsibilities to the program.

I \_\_\_\_\_ (student diver) agree to study independently as specified by the instructor.

In general this means that before each practical session I will:

- Complete the assigned tasks and knowledge development portion of the course by \_\_\_\_\_ (mm/dd/yyyy) including: **physican's approval if required, reading/watching the assigned materials for the course, completing the assigned knowledge reviews, and completing the final exam as assigned.**

**In addition I agree to:** follow all course procedures as set forth by my instructor, ask questions about anything not understood and be on time and prepared for each practical session \_\_\_\_\_ (initial).

**If I do not follow the points above:** I understand that I may need to reschedule practical sessions, and that I'm responsible for any additional costs related to this. In scheduling and determining additional costs, Force-e staff agrees to give every reasonable consideration to unforeseen events, such as family emergencies.

**The course instructor and staff agree to:** start the class as scheduled, provide a positive learning environment, answer your questions to your satisfaction, and assist you through any course challenges.

**I understand:** Course instructor and staff will provide opportunities for as many knowledge review sessions, confined water dives and open water dives as necessary for you to comfortably master course-performance objectives. The course fee is based on an average knowledge and skill acquisition.

**This includes:** \_\_\_days knowledge development assessments, \_\_\_days for confined water dives and \_\_\_days for open water dives.

**I understand and agree that:** Because each student learns skills at different rates, the course is student-centered and performance-based, **not time-based**. Additional sessions may be needed for you to comfortably meet course objectives for certification.

Additional sessions beyond what is outlined above are subject to additional Fees. \_\_\_\_\_ (initial)

- Additional Academic session: \$50
- Additional Pool Session(s): \$100
- Additional Shore-Entry open-water Dive \$150
- Additional Boat Open-water Dive \$150 + boat fee

**Cancellation policy:** Force-E staff agrees to give every reasonable consideration to unforeseen events, such as family emergencies and medical emergencies. There is a 72 hours cancellation policy for private lessons. This includes a change of dates and times. Weather cancellations by the instructor or charter are done for the safety and well-being of the student. Cancellations after the 72 hours window will result in a make up fee of \$50 (per student diver). Cancellations within the 24 hours window will result in a make up fee of \$100 (per student diver). Cancellations within a 12 hours window are subject to a make up fee of \$150 (per student diver).

**I have read and agree to the terms listed above.**
